in Asia Pacific Region

## ABOUT EPTC

The 22<sup>nd</sup> Electronics Packaging Technology Conference (EPTC-2020) is an international event organized by the IEEE RS/EPS/EDS Singapore Chapter and co-sponsored by IEEE Electronics Packaging Society (EPS). EPTC-2020 will feature keynotes, technical sessions, professional development courses, forums, an exhibition, social and networking activities. It aims to provide excellent coverage of technology developments in all areas of electronics packaging from design to manufacturing. It is a major technical forum for the exchange of knowledge and provides opportunities to network and meet with leading international experts. Since its inauguration in 1997, EPTC has established into a highly reputed electronics packaging conference in Asia and attended by experts in all aspects of electronics packaging technology across the world. The **EPTC-2020 is the EPS flagship conference in the Asia-Pacific Region** and actively supported by IEEE EPS to grow and lead the electronics packaging community in the Asian region.

EPTC 2020 would like to extend our sincere thanks for your continued support through exhibition, sponsorships and technical presentations. The EPTC 2020 organizing committee seeks your support and invites your organization/company to participate in the two-day event as an exhibitor/sponsor. We are confident that EPTC serves the best platform to highlight your products and services and connects your organization/company to the electronics packaging community.

Despite COVID19 pandemic, EPTC2020 received a significant number of abstracts for EPTC2020. After weighing the current worldwide pandemic situation, the organizing committee decided to conduct EPTC2020 event as a virtual conference. Publicity offerings for sponsor/exhibitor are redesigned to reach out much larger audience in semiconductor packaging community.
