## 1 Home page banner text:

The home page banner text has been made dynamic and admin can change the text from admin panel as shown in figure below:

For front-end panel:

Please refer figure 1.1

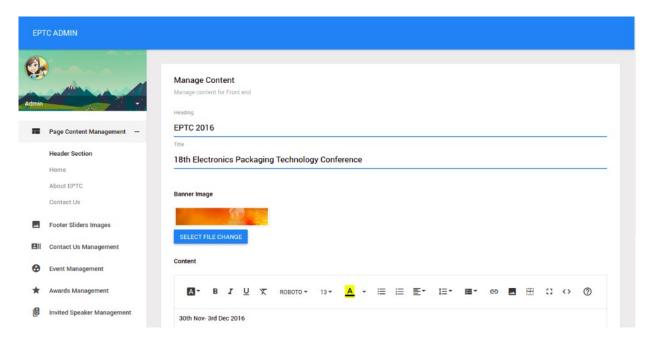

[Fig 1.1]

For admin panel:

Please refer figure 1.2

[Fig 1.2]

# 2 Home page footer changes:

The footer on home page has been now changed and the footer is now available for each category as in the sidebar of each page.

Please refer Figure 2.1.

[Fig 2.1]

## 3 Home page footer changes:

The homepage has been changed. The banner map now shows Atlantic Ocean and Pacific Ocean as mentioned by client. The banner has been narrower and the middle section has been removed.

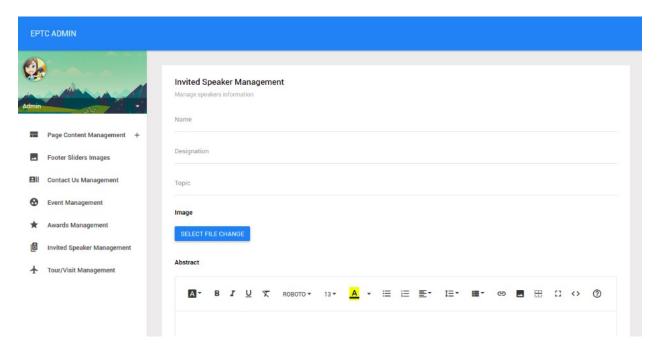

[Fig 3.1]

### 4 Invited Speaker:

The invited speaker section has been implemented. In this the admin can add, edit, delete name, designation, introduction, description and biography for the speaker and type i.e. Invited speaker or invited user. The same will be visible in the front-end under the respective category.

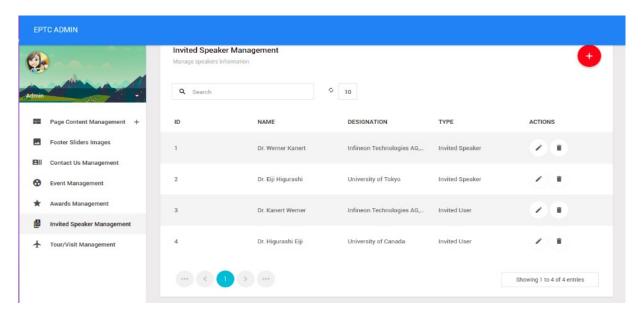

For admin section:-

Please refer Figure 4.1.

[Fig 4.1]

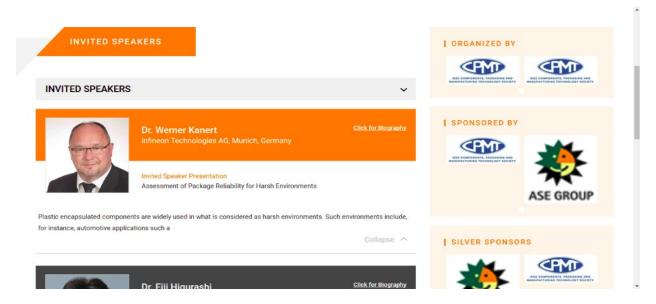

Please refer Figure 4.2.

[Fig 4.2]

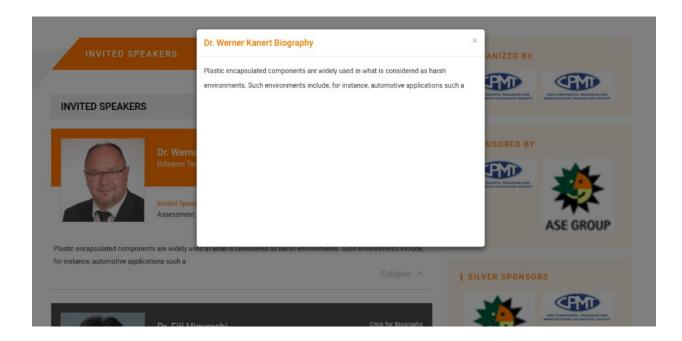

For front-end section:-

### Please refer Figure 4.3.

[Fig 4.3]

# Please refer Figure 4.4.

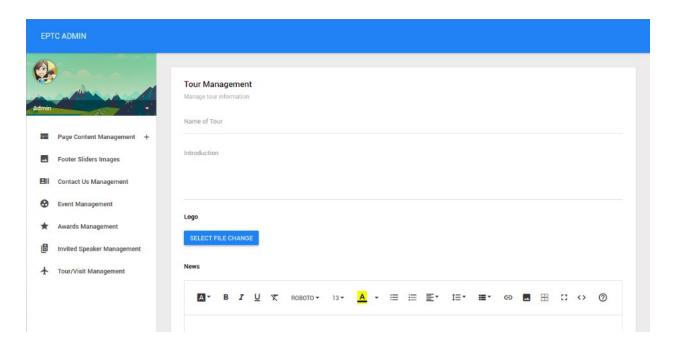

[Fig 4.4]

#### 5 Tour section:

The tour can be added, edited and deleted from admin panel. Admin can upload name, logo, introduction, news and images of multiple magazines from the admin panel and they are respectively visible in the front-end.

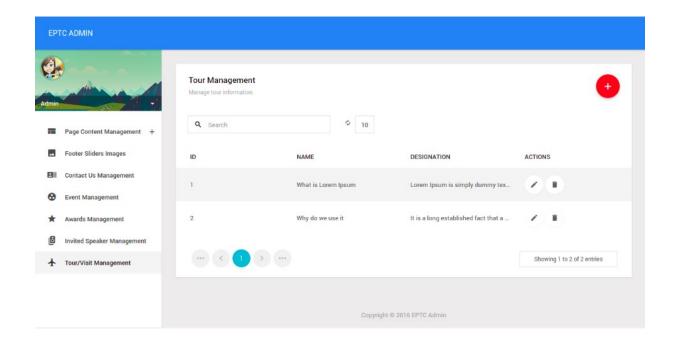

For admin section:-

Please refer Figure 5.1.

[Fig 5.1]

Please refer Figure 5.2

[Fig 5.2]

For front-end:

Please refer Figure 5.3

[Fig 5.3]
