7. For accepted paper to publish in the IEEE EPTC 2021 Conference Proceedings and in IEEE Xplore®, an author of each paper accepted for the main conference must be registered with a Full Registration (either IEEE Member or Non - IEEE Member). Each Full registration can have a maximum of TWO papers associated. Notice that the Student Registration (either IEEE Member or Non - IEEE Member) can have a maximum of ONE paper. In order to be included in the IEEE EPTC 2021 proceedings, each paper must be presented by an author of that paper attending the conference unless the TPC Chairs grant permission for a substitute presenter, arranged in advance of the event, and who is qualified both to present and answer questions. Non-refundable registration fees must be paid prior to uploading the final IEEE formatted, publication-ready version of the paper. For authors with multiple accepted papers, one FULL registration is valid for up to 2 papers. Accepted, registered, and presented papers will be published in the IEEE EPTC 2021 Conference Proceedings and submitted to IEEE Xplore® as well as other Abstracting and Indexing (A&I) databases.
