

EPTC 2023 Manuscript Preparation Instructions

The authors of the accepted papers must follow the instructions below to ensure inclusion in the final conference proceedings:

1. Download the manuscript template from “Author Resources” tab on the conference website www.eptc-ieee.net.
2. Prepare your final manuscript using the template, carefully addressing all the reviewers' comments.
3. The author must ensure compliance with the IEEE PDF Express by following the PDF Preparation Instructions below.
4. After getting the approved PDF file from PDF Express, the author must upload that PDF file in [Conftool](#) as “final submission”.
5. The author must also complete the IEEE E-Copyright form by logging into [Conftool](#) and clicking the “Electronic Copyright Form” link on the right.
6. For accepted papers to be published in the IEEE EPTC 2023 Conference Proceedings and in IEEE Xplore®, an author of each paper must be registered with the conference, pay the required fee, and have the paper presented at the conference. Each non-student registration can have a maximum of TWO papers associated with it while a student registration can have only ONE paper associated with it.
