Note on Conftool and Conference Registration

EPTC uses the Conftool App for submission/review of abstracts and manuscripts which are both called **contributions**. If you have never used the EPTC Conftool App before, you need to first register as a **User**. To do this, please visit the EPTC website www.eptc-ieee.net , click the *Registration* menu tab, and click the *Conftool/Conference Registration* link. If you have ever attended EPTC within the last 5 years, you can simply use your past credentials to log in.

When the website is later ready for conference registration (this will be announced in due time), you may log into Conftool again to register as a **Participant** and pay the appropriate registration fees there. Payment will be via the secure Stripe gateway using Alipay or any of the following credit cards:

- Visa
- MasterCard
- Discover
- American Express
- UnionPay
